Professional Experience

ALTEN Italia — Milan, Italy
Junior QA Engineer — 10/2026 - Present

- Designed and executed tests for professional banking softwares. This involved bug tracking tools, API testing, and a fast-paced approach to working in Agile teams.

Università degli Studi di Milano — Milan, Italy
Algebra 1 tutoring — 09/2024 - 02/2026

- Assisted first-year students approaching the world of abstract algebra for the first time, helping them achieve rigorous abstract thinking and problem solving skills. This involved lectures, directing study groups, correcting exam-like homeworks, and providing constructive feedbacks.

Università degli Studi di Milano — Milan, Italy
100th anniversary of Unimi — 10/2023 - 12/2024

- Helped writing mathematical quizzes and problems for Unimi's 100th anniversary web app, aimed to stimulate students' interest in mathematical topics. Every quiz aims to engage the player in several areas of mathematics, and it is followed by a non trivial mathematical fun fact.

Seminars and Talks

Università degli Studi di Milano — Milan, Italy
Una Ricetta per Paradossi - A Recipe for Paradoxes — 04/2026

Università degli Studi di Milano — Milan, Italy
La Geometria dei Colori - The Geometry of Colours — 05/2024

Education

Università degli Studi di Milano — Milan, Italy
MSc, Mathematics — 09/2023 - 04/2026

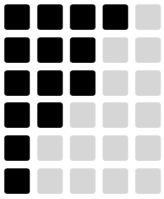

- 110/110 cum laude.

AILA - Associazione Italiana di Logica e sue Applicazioni — Salerno, Italy
Summer School — 09/2025
